I AM LOOKING FOR : A PARTNER (FOR MY PROJECT) A PROJECT TO JOIN

BRIEF DESCRIPTION OF YOUR PARTNER SEARCH (*) (2-3 lines to be published on the website – the complete form will be available to download)

The SAS Institute of Archaeology can be a partner of the project solving the biodiversity and implementing also the point of view of past land use change, overexploitation of sources, climate change impact on the human society.

Please complete the information below depending if you are looking for a partner (to join your project), or a project (you would like to join) – Max 1 page.

DESCRIPTION OF YOUR EXPERTISE /SKILLS

The Institute employs apart from the archaeologists also the experts on archaeozoology, anthropology and archaeobotany, and cooperates with other experts from given disciplines in Slovakia on specific scientific tasks. The researchers in palaeoenvironmental disciplines are dealing with data collection, data analysis and data interpretation, including also the problems that are the subject of current call (past diet, exploitation and overexploitation of sources, land use change reconstruction, climate change in the past).

DESCRIPTION OF YOUR PROJECT / THE PROJECT YOU WOULD LIKE TO JOIN

We are looking for the project exploring the land use change, overexploitaiton and climate change impact on the human society in the past. The reconstruction of named parameters is possible on the basis of palaeoenvironmental data available from the field archaeological/palaeoenvironmental excavations. The Institute of Archaeology can offer the experts and expertise on the analysis and interpretation of such sources (archaeobotanical, archaeozoological, anthropological) and/or mediate the cooperation with other experts on palaeoethnobotany and palynology.
