

**Name (·):** Patrick Noack  
**Title (\*):** PhD  
**Country/Countries (\*):** Italy, Switzerland, Germany  
**Institute name:** Global Future  
**Department/section:**  
**E-Mail:** pt\_noack@yahoo.co.uk  
**Web address:** <https://www.linkedin.com/in/patricknoack/>

**I AM LOOKING FOR :**  A PARTNER (FOR MY PROJECT)  A PROJECT TO JOIN

**BRIEF DESCRIPTION OF YOUR PARTNER SEARCH (\*)** (2-3 lines to be published on the website – the complete form will be available to download)

I am a scenario building expert looking to join a project. I have a PhD in Zoology and have worked on developing scenarios globally and on complex issues. Deep expertise in multi-stakeholder scenario process design and implementation. Used to collaborating with large teams across the globe.

*Please complete the information below depending if you are looking for a partner (to join your project), or a project (you would like to join) – Max 1 page.*

**DESCRIPTION OF YOUR EXPERTISE /SKILLS**

Scenario building practitioner with over 15 years experience. Advise on futures, foresight and scenarios to international organisations, research institutions and governments. Expert in scenarios best practice, designing and managing participatory processes with diverse stakeholders. Identification of systems, different levels of impact, policy and socio-economic impacts. Identification and articulation of uncertainty, drivers, consequences and resulting scenarios. Author of reports and books on scenarios and foresight.

**DESCRIPTION OF YOUR PROJECT / THE PROJECT YOU WOULD LIKE TO JOIN**

Interested in joining a 2017-2018 Belmont Forum / BiodivERsA Joint Call project proposal and manage the scenario building components. Scenario building skills are all earned and specific skill - I have been part of the Shell scenarios team and have managed medium and large scale scenario projects that span several countries.

**DESCRIPTION OF THE EXPERTISE/SKILLS YOU ARE LOOKING FOR IN YOUR PROJECT**
